OCC Blackbird 607J

Angus Embryo Donor Cow

AAA Reg. # 13491706
Birth Date: Jan. 25, 1999

- 607J is an own daughter of DHD Traveler 6807. She is triple bred to the great foundation Angus sire PBC 707 1M F0203 through 3 maternally powerful cows: Blackbird of R R 1204, her maternal granddam, Bemindful Maid DHD 0807, the dam of 6807, and Envious Blackbird DHD 3811, the dam of PAPA Durabull.
- Her dam, 872B, was an Ohlde Sale feature and sold for $9,000 in 1998.
- 607J has raised natural calves every year and was flushed for the first time in 2008.

	QAS Traveler 23-4	Band 234 of Ideal 3163
DHD Traveler 6807		QAS Blackbird Eve 601 1
	Bemindful Maid DHD 0807	PBC 707 1M F0203
		Bemindful Maid of RR 1079
	PAPA Durabull 9805	Scotch Cap
OCC Blackbird 872B		Envious Blackbird DHD 3811
	Blackbird of R R 1204	PBC 707 1M F0203
		Blackbird of R R 7023

	Birth	Weaning	Yearling	Milk	$EN	$W
EPDs	+.1	+34	+65	+12	+16.66	+23.67

Dam, OCC Blackbird 872B.

Granddam, Blackbird of RR 1204.

Direct Transfer Embryos Available by these Sires:

OCC Eureka 865E (Reg. # 12514352)
This mating lines up the 1204 cow family. Eureka is a son of OCC Backstop, out of the famous 1204 cow.

OCC Missing Link 830M (Reg. # 14456399)
This mating brings two additional foundation cow families into the mix through Dixie Erica of CH 1019, the dam of OCC Emblazon, and the OCC Juanada family that produced OCC Headliner and OCC Anchor.

OCC Dixie Erica 775E

RTR Dixie Erica 7T4

- Granddaughter of "775E" by OCC Eureka 865E.
- 7T4's dam is OCC Dixie Erica 720H (Emblazon x 775E).
- Owned by Terry Ohlde.

775E Direct Transfer Embryos Available from These Matings:

OCC Emblazon 854E (AAA Reg. # 12514348) - 10 Embryos For Sale
Emblazon has been a surefire mating for this cow as evidenced by the 2 outstanding daughters and 2 sons she has produced to date. An Emblazon daughter is an elite cow at RTR Angus in WI while another sold through the Duff Cattle Co. sale in 2006. A son was a 2004 sale feature at Pharo Cattle Co. while another served as a herd sire for Ozark Hills Angus in MO.
Interim EPDs (775E x Emblazon): BW -.3 / WW +33 / YW +53 / Milk +16

OCC Eureka 865E (AAA Reg. # 12514352) - 10 Embryos For Sale
We are very excited about this mating. 775E has an exceptional granddaughter by OCC Eureka (pictured above), whose dam is the Emblazon daughter OCC Dixie Erica 720H. The mating to Eureka linebreeds PBC 707 1M F0203 while also brining the foundation Blackbird and Revolution Rose cow families into the pedigree. The Eureka sired females are proving to be very moderate sized, attractive, easy fleshing cows with excellent udder quality.
Interim EPDs (775E x Eureka): BW +.1 / WW +28 / YW +43 / Milk +16

We prefer to sell packages of 3 embryos or more but will consider lesser amounts. On a group of 3 embryos, we guarantee 1 pregnancy if transfer is performed by a licensed and approved technician. On sales of less than 3 embryos, any guarantees will have to be discussed individually with the buyer.
